☞ Where only a credit rating appears, this line of credit designation applies. } 1 2 3 4

(d) Where an italic *d* in parenthesis precedes a rating, it is an indication that one or more of the partners in the firm are liable in another or other firms, and the responsibility is in that sense divided, THUS: (*d*) B+1.

The absence of a rating, whether of capital or credit, indicates those whose business and investments render it difficult to rate satisfactorily. We therefore prefer, in justice to those, to give the detailed reports on record at our Offices.

Ratings of Branch Houses should be looked up at Headquarters also.
